Attendance

All students are expected to attend their regularly scheduled classes.
Each class offers a step forward in the educational process. A missed class could leave a child one step behind the other students. During the months of October-December and February - May, choreography for the recitals will be taught and rehearsed. It is important for children to feel completely confident with the choreography at the year-end performance. Missing class during this period could result in frustration for the students, their teachers, and classmates.

Make-up Classes

If your dancer must miss class, they are welcome to attend a make-up class in another class of the same age/level. You *MUST contact us ahead of time by calling or emailing (or asking at Front Desk) to schedule a make-up class for your dancer.* Make-ups are not required.

Payment requirements

All accounts will be required to have a credit card on file and should be signed up for automatic monthly payments for tuition due on the 1st of each month. All costume deposits and balances will be posted and charged to the card on file.

Monthly Tuition

Classes run August through May. Tuition is based on the total number of classes during the dance season, August - May. Tuition is the same amount every month, regardless of how many weeks of dance are in any given month. See attached page for pricing and policies.

Tuition/Vacation Policy

Dancers who have extended vacations or trips out of town are required to pay for their monthly tuition to hold their spot in class. We are not able to pro- rate or credit tuition for missed classes due to vacations or illness. Dancers will have the option to take make up classes - please see make up class policies.

Cancellation Policy

If at any time you need to withdraw your dancer(s) from class(es) please contact the studio immediately to deactivate your account. Chandler Dance Center's program is a ten-month membership, August-May regardless of the year. If you do decide to cancel your 10-month membership before the 10-months are over, you can still attend Chandler Dance Center for the additional time covered by the last month's paid tuition. Your last payment to Chandler Dance Center will be the month AFTER you cancel your membership to Chandler Dance Center. For example, if you cancel your membership in October, you are responsible to pay tuition and all fees due for November of the same year.
